Volunteer Role: Student Initiative Developer

D E S C R I P T I O N : " Send A Hero" is a student initiative designed to engage students with Ratanak's work by offering a framework, messaging, and resources to host a third-party fundraising event or campaign to benefit Ratanak International. The project developer will take the initial project from a preliminary concept and outline to produce a package that is ready for distribution. This project will involve assessing the concept, determining the next steps, and developing the resources.

R E S P O N S I B I L I T I E S :
- Assess the project concept and current resources.
- Determine the most suitable format to deliver the resources.
- Write and develop the resources in collaboration with Ratanak staff.

S K I L L S & R E Q U I R E M E N T S :
- Experience with teaching and curriculum development.
- Good understanding of student engagement.
- Strong written communication skills.

T R A I N I N G & R E S O U R C E S :
- Access to current "Send A Hero" concept and resources.
- Further access to Ratanak prevention project information as needed.
- Support from Volunteer Manager and access to other Ratanak staff as needed.

T I M E L I N E : The Student Initiative Developer is a project-based role. The anticipated project timeline is 3-6 weeks. The volunteer and Ratanak staff will confirm this timeline once the initial assessment is complete.

L O C A T I O N : This role is suitable to work remotely with access to Skype, Dropbox and email communication.
